

Security Solutions

Get knowledge, quality and service on every job with
Tri-City Electric Co.

Security is becoming more and more critical for the long-term success of your business. It's not something you can afford to take a chance on. With a Tri-City Electric Company partnership, you'll receive the expertise of a company that has been doing business since 1895.

CONFIDENCE DELIVERED.®

Tri-City Electric Co.
Since 1895

Experienced in security solutions.

When you need integrated access control systems and CCTV video surveillance solutions, you can rely on the experience of Tri-City Electric Co. Our Security Solutions division can provide you with a full range of design, installation and maintenance services to support your commercial and industrial security, access control and video surveillance needs.

"It is a rare occurrence when I receive compliments regarding outside contractors. I received multiple calls regarding the professionalism your firm exhibited. I appreciate the opportunity to personally thank you for the service you are providing, thus enhancing the ability to educate our children." – Facilities Director at a local community school district
