

Structured Cabling

Get knowledge, quality and responsive service on every job with

Tri-City Electric Co.

Cabling is the heart of your telecommunications and fiber optic systems. Getting the job done right is critical to your success. With a Tri-City Electric Company partnership, you'll receive the expertise of a company that has been doing business since 1895.

CONFIDENCE DELIVERED.®

Tri-City Electric Co.
Since 1895

Structured Cabling

Experienced in structured cabling.

With over 55 years of experience in designing, installing and maintaining structured cabling, you can feel confident in the Tri-City Electric Co. team to get the job done right. Our team is certified for almost every type of installation, and we are Authorized Cabling System Installers for some of the most respected names in the industry.

“The team from Tri-City Electric Co. was professional, courteous and extremely helpful. You met the date I needed, therefore I was able to meet my goals and commitments. You can count on me calling you again when I need help you provide.” — Ralph Janis, Manager I.T., Sivyer Steel Corporation, Bettendorf, IA
