

Cultivation Services

Knowledge and expertise to set you up for growth.

Tri-City Electric Co.

At Tri-City Electric, we pride ourselves on not only creating solutions for your cultivation needs, but also on our dedication to delivering solutions on time, within budget and with minimal disruption in business operations. When you partner with Tri-City Electric, you get years of experience working to create a tailored solution – expediting the process so you can get growing as quickly as possible.

CONFIDENCE DELIVERED.®

Tri-City Electric Co.
Since 1895

Cultivation Services

Ready, set, grow.

We know that each facility has a different cultivation routine and preference. From concept to completion, it's our job to offer cultivation facility design and construction management solutions that are right for you. As a full-service company backed by decades of design-build experience, we make it our job to understand your needs so you can focus on growing your business.

Today, we are proud to be working with three of the largest cannabis producers in the United States.

Our full-service cultivation services offerings for new construction and retrofit jobs include:

- Consultation
- Estimation
- Engineering and design
- Budgeting
- Fabrication
- Project management
- Installation
- Testing
- Ongoing support
- Maintenance and repair

Tri-City Group
